ALL YEARS - Please be aware that the younger population are displaying additional symptoms which include:

- An upset stomach
- A headache
- A sore throat
- Unusual fatigue

Do not send your child to school if they are displaying these symptoms. Book a PCR test if symptoms of Covid appear.

ALL YEARS - Biggest Sing - Guinness World Record Attempt

On Tuesday 15th June, Henlow Academy is planning to join with many other schools in an attempt to break a world record for the largest number of people simultaneously performing a song using sign language. The song will be Lovely Day by Bill Withers and we will be using British Sign Language.

This will take place during lesson time (only 10 minutes) and it will involve us following a live feed from the O2 Arena in London. To comply with the Guinness World Record verification rules we will also need to place a webcam in each classroom that will record our performances and they will also be sent to the big screen in the O2. Children without parental consent to be filmed will still take part in the performance but will be hidden from the camera's view. Young Voices may use some of the footage for publicity after the Guinness World Record attempt.

Please complete the attached form to indicate whether your child has permission to be in front of the camera. No children will be individually identified and there will be hundreds of thousands of children taking place around the UK.
